GAMBAS COVID-19 POLICY

WHAT WE ARE DOING TO KEEP US ALL SAFE

- FOH and chefs all wearing face masks throughout service. All customers to wear face masks to enter the premises and any time they are not sat at the table
 - Using hand sanitizer regularly
 - Cleaning touch points regularly (door handle, card machine, etc)
 - To minimise contact we are only taking payment via card
- Using contactless where possible, if not cleaning the card machine and tills after every use
 - Using laminated menus and cleaning them after every use
 - Keeping 1-meter table spacing always
- Making sure all guests use hand sanitizer when entering Gambas. Offered on arrival and at any point during the meal
 - Thoroughly sanitizing every table and sitting space between guests.
 - Wapping Wharf are Bio Fogging Cargo Toilets everyday
 - Laying tables once customers are sat down
 - Staff are not sharing any food or drinks
- Due to new government rules, we will not be taking orders after 10pm for closure at 11pm
- Following government guidelines you can meet socially with friends and family indoors who you either: live with or have formed a support bubble with
- Members of staff are not to come to work if they develop any of the Covid-19 symptoms named by the government. We record the temperature of staff with an infrared thermometer and record this daily with an assessment from the manager on duty.
