Events and Private Dining

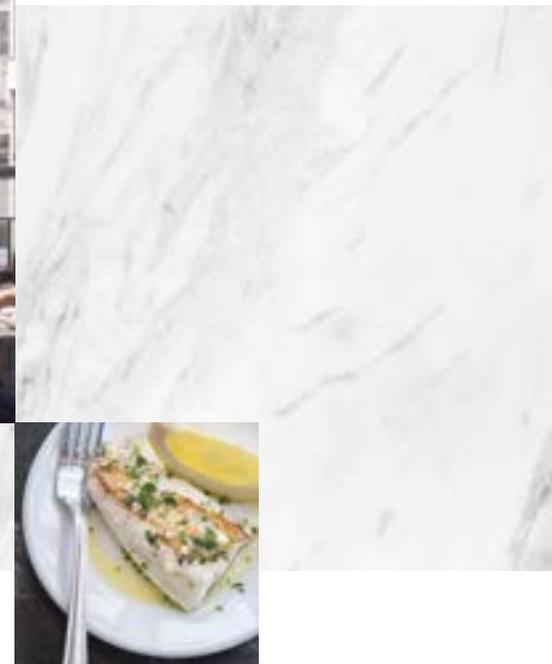

Whether you are getting together with family and friends for a special occasion or treating the team after working hard all year, Gambas is the perfect place to celebrate. Located in the heart of Bristol, Gambas is a tapas bar and restaurant overlook Bristol's historic harbour. Both our restaurant and terrace offer stunning views of the Bristol waterfront. Gambas has an atmosphere and service style that immediately makes guests feel welcome and at ease.

Our food is prepared with care and precision and allows the produce to shine, creating an experience tailored to enjoying Spanish inspired tapas, fish and seafood in a beautiful, relaxed setting.

We provide three menu options for groups; the food will be served tapas style for the whole table to share.

We cook from scratch with market produce so menus may vary depending on market availability.
